## PERSONAL PROFILE

**Dedicated professional with a proven track record of delivering results in diverse organizational settings. Seeking a challenging role where my skills in management and customer relations can be leveraged for mutual growth and success.**

## WORK EXPERIENCE

### ASSISTANT MANAGER - STORE

**Good Deal Super Market - Dubai    2020-PRESENT**

I started as a cashier at Good Day Supermarket and have evolved to handle multiple tasks within the store which include vendor management - purchases, pricing strategy, visual merchandising, customer relationship, delivery planning management. I have been recognised as a Best performing employee for Good Day Super market - Tecom branch. Currently, the parent company has recognised my efforts and I have been promoted to Assistant Manager for my performance and I am handling the store operations at Good Deal Supermarket Al Barsha Heights.

### ASSISTANT MANAGER - PRODUCTION & LOGISTICS

**Uber Marketing Solutions - India    2016-2020**

I worked for Uber Marketing Solutions, Bangalore, India as Assistant Manager for Production and Logistics, handling marketing events and branding for companies like Mindtree, CGI Canada, Suse, Nasscom, DanskeIT, Keysight. At Uber Marketing Solutions I was actively involved in customer relationship and timely management of the production and logistics.
