## JOB PROFILE

Detail-oriented professional with experience in storekeeping and warehouse assistance, proficient in managing inward and outward inventory flows. My background also includes internship experience and a strong foundation in sales, providing me with a well-rounded understanding of supply chain management and customer service. Skilled in maintaining accurate stock records, optimizing warehouse operations, and supporting sales efforts. Seeking to leverage my comprehensive skill set to contribute to the efficiency and growth of a forward-thinking organization.

## PROFESSIONAL EXPERIENCE

### STOREKEEPER

AL KHAYAM | ABU DHABI ,UAE  
**CURRENTLY WORKING**

- Maintain accurate inventory records by logging all incoming and outgoing stock, using inventory management software.
- Organize and label stock in a systematic manner to ensure easy retrieval and minimize misplacement or loss of items.
- Monitor stock levels regularly, conducting periodic inventory audits to identify discrepancies and take corrective actions.
- Coordinate with suppliers and vendors for timely replenishment of stock, ensuring continuous availability of essential items.
- Coordinate with suppliers and vendors for timely replenishment of stock, ensuring continuous availability of essential items.
- Issue and distribute materials, tools, and supplies to different departments as per their requirements, maintaining proper documentation.
- Ensure proper handling and storage of goods, adhering to safety guidelines and preventing damage or deterioration of stock.
- Prepare and generate inventory reports for management, highlighting stock levels, shortages, and any significant trends.

### WAREHOUSE ASSISTANT

CHASE SHIPPING AND LOGISTICS SERVICE

- Assist in receiving shipments, verifying quantities and quality of goods, and accurately documenting deliveries in inventory records.
- Unload, unpack, and organize goods in the warehouse, ensuring items are stored in the correct locations and are easily accessible.
- Prepare orders for dispatch by picking, packing, and labeling items according to customer or internal department requirements.
- Maintain accurate inventory records by updating stock levels in the inventory management system after every transaction.
- Assist in conducting regular inventory audits to identify discrepancies and report any shortages or overages to the warehouse manager.
- Ensure that the warehouse is clean, organized, and free of safety hazards, following health and safety regulations.
- Assist in the organization and maintenance of the warehouse layout, optimizing space utilization and workflow efficiency.
