EXPERIENCE

Store Supervisor

Jas culinary speciality pvt ltd - Cochin, India

- 03/2022 - 09/2024
- Negotiated with suppliers to secure competitive prices, improving profit margins and reducing operational costs.
 - Implemented an efficient stock rotation system, reducing waste and maximising shelf life of perishable goods.
 - Oversaw the receipt of goods, verifying quantities, and quality to maintain supply chain integrity.
 - Streamlined inventory management processes using technology, reducing manual errors and increasing accuracy.
 - Conducted regular audits of stock, identifying discrepancies and taking corrective actions to prevent stock loss.
 - Processed returns and exchanges, managing customer complaints with professionalism to maintain customer satisfaction.
 - Managed inventory levels, conducted stock checks, and placed orders for replenishment of goods to maintain optimal stock levels.
 - Analysed sales reports and inventory data to identify trends, adjusting stock levels and ordering strategies accordingly.
 - Developed and maintained a comprehensive database of inventory, enabling quick access to stock information and levels.
 - Established strong relationships with vendors and suppliers, ensuring timely delivery of goods and resolving any supply issues.
