+91 (8318713674)

Software Engineer graduate with advanced knowledge in Computer Science, Java development. Seeking to utilize my Java expertise and grow with the company. and create great solutions for your company.

INTERNSHIP

Code Planet Technologies Pvt. Ltd

Java Developer

Nov 2022 - April 2023 Jaipur, Rajasthan

- Completed daily tasks, discussed progress and engaged in the discussion of operationally related topics.
- Learned about technologies Java, HTML, CSS, and Mysql.
- Gained experience collaborating and working with a team.
- Learned and extended new problem-solving strategies.
- Worked on various projects during my internship. CredR, TinyLink, Co-WIN.

CredR

Java | Spring Boot Framework | MySql

Mar 2023 - Apr 2023

CredR is a consumer two-wheeler marketplace for buying selling second-hand bikes.

- Developed backend logic and API using java spring boot framework.
- API tested via Postman, e.g., Login, Signup, Bike-Specification, all-Categories etc.
- Developed various tables in MySQL Database. e.g., Bike-Specification, All-Categories etc.

TinyLink

Java | Spring Boot Framework | MySql

Mar 2023 - Mar 2023

TinyLink is all about turning long, ugly links into nice, memorable, and trackable short URLs. Use it to shorten links.

- Backend API implemented for short-URLs, takes long link as input and delivers short link. and also user can Alias his link.
- Insert all the records in the database. So that user can access his Short-URL at any time period. e.g., longUrl, SortUrl.

Co-WIN

Java | Spring Boot Framework | MySql

Jan 2023 - Mar 2023

- Developed backend logic and API for login, allStates, district, signup, etc. using Java Spring Boot Framework.
- Developed various tables in MySQL Database. e.g., find-ByStates, findBydistrict, etc., and Tested those APIs on Postman.

EDUCATION

Jaipur Engineering College

BACHELOR'S DEGREE IN COMPUTER SCIENCE | SOFTWARE ENGINEERING | PERCENTAGE - 63.3

2016 - 2021 Jaipur, Rajasthan

SKILLS

Technical skills

- JAVA
- SQL
- Spring Boot
- HTML
- CSS

Soft skills

- Teamwork
- Problem-solving
- Attention to detail
