Human resources management and Business analytic.

Career objective

My career objective is to leverage my newly acquired MBA skills and knowledge to contribute effectively to a dynamic organization, where I can apply my analytical, problem-solving, and leadership abilities to drive innovation, foster growth, and excel in the field of human resource and Business antistatic . I aspire to continuously learn, adapt, and excel in a collaborative and challenging environment, ultimately positioning myself as a valuable asset to the company and achieving long-term career success.

Education

MBA, Anna university, Tamil Nadu,India.

June / 2 0 2 1 - May / 2 0 2 3

Specialization in Human resources management and Business analytic.

BBA, MS university, Tamil Nadu,India.

June / 2 0 1 8 - April / 2 0 2 1

Projects In,

A study on employees welfare measures at Wonder pick.pvt.Ltd.MBA., Tamil Nadu,India.

Feb / 2 0 2 3 - April / 2 0 2 3

I completed a 3-month MBA project titled "Employee Welfare Measures at Wonder pick Pvt. Ltd. in Chennai." I focused on 3 objectives derived from my findings, collecting both primary and secondary data. I utilized SPSS for statistical analysis, employing percentage analysis and chi-square tests. The project revealed the significance of employee welfare measures in firms for employee satisfaction and included 5-scale questionnaires for data collection.

A Study on organizational management at Jeyam metals,pvt,Ltd., BBA , Tamil Nadu,India

April / 2 0 2 1 - April / 2 0 2 1
