

# ATHUL VINOD

I am a well motivated and pragmatic individual who is quick to grasp new ideas and concepts, even under pressure I possess a strong ability to perform effectively and responsibly. As well as enjoying being part of a successful team, I have a creative and independent approach to tasks and have the ability to work to a brief and meet deadlines as proven in my current role and previous employment. I am a dedicated and ambitious worker and I am very eager to learn and develop new skills. I have been passionate about driving operational excellence and being able to use my skills for all stake holders in all companies and work collaboratively to drive and improve KPIs, strategy, profitability and team performance.
