PROJECTS

TITLE: “A STUDY ON SUPPLY CHAIN DISTRIBUTION CHANNELS AT AMAZON

- A channel of distribution comprises a set of institutions which perform all of the activities utilized to move a product and its title from production to consumption.
- It is inferred that 18% of the respondents are having the Flipkart, 26% of the respondents are having the Amazon, 18% of the respondents are having the Snapdeal, 16% of the respondents are having the Myntra and 22% of the respondents are having the Alibaba

- After analysis the data we have concluded that Myntran, Snapdeal and Alibaba they are captured first three place and Amazon is in fourth place. Because the sales volume of the Amazon is very low compare than other three on-line platforms.
