### ABOUT ME

---

A Bachelor of Science in Accounting graduate from the University of Professional Studies, Accra and a part qualified member of the Association of Chartered Certified Accountants (ACCA) with good knowledge and understanding of accounting rules and principles. I have nine (9) and five (5) years career and professional experience in internal auditing and accounting respectively. Skilled at day-to-day bookkeeping, budgeting, bank reconciliation, preparing quarterly and annual financial reports, interpreting financial statements, financial, compliance and operational auditing, risk assessment, evaluating internal controls and general office administration. I am versatile, well organized and able to prioritize workload to manage several tasks. The ability of picking up very fast is my hallmark and nothing becomes a novelty upon a second exposure. I possess the ability of working effectively as an individual and as a team player. Able to influence people positively regardless of whether I am in a leadership position or not. I am driven by the goal of developing a career in a highly motivated, innovative and disciplinary Institution that has the objective of providing quality goods and services, a challenging career for personal growth and opportunity to participate in the development of the Institution through the utilization of my knowledge, skills and human relations. Seeking a position to leverage knowledge and experience to make a positive contribution.
