ANAND KUMAR NALLI

Summary

Detail-oriented and reliable professional with excellent organizational abilities and a strong customer service mindset. Quick learner who adapts well to new environments and demonstrates consistent dedication to team success. Seeking to transition into retail to apply and expand my collaborative and problem-solving skills.

Career Objective

Enthusiastic and hardworking individual seeking a Supermarket Helper position where I can utilize my strong customer service skills, attention to detail, and team-oriented approach to contribute to the store's success while growing professionally in the retail industry.

Experience

Web Designer, Creators Touch, Vijayawada

2015 - 2016

- Collaborated with other web designers, developers, and content writers to create engaging websites.
- Worked with clients to identify design needs, as well as write, review and edit website content.
- Developed website navigation and site architecture to ensure an intuitive user experience.

Notable Projects:

Andhra Hospitals Vijayawada: Designed and developed a user-friendly website to provide comprehensive information about hospital services and facilities.

APCRDA (Andhra Pradesh Capital Region Development Authority):

Worked on the official website to showcase the development projects and initiatives in the Andhra Pradesh Capital Region.
