## SKILLS

---

- Reports to and receives assignments
- Operates company vehicle with capacity of upto 30 tonnes to move materials, tools and equipment to and from work locations in support of construction
- Observes and follows all safety rules
- Assists during the operation of well logging equipment at job site
- Experience with department of transportation and regulations
- Willing to tarp and strap flatbed loads
- four years verifiable experience as a truck driver

## OBJECTIVE

---

I am a dedicated truck driver with 4 years of experience. I successfully navigated various routes while adhering to strict delivery schedules and ensuring the safe transport of valuable cargo. My strong attention to detail and commitment to efficiency allowed me to maintain accurate logs and consistently meet both company and regulatory requirements. In addition to my familiarity with different types of trucks and trailers, I also possess a clean driving record and the ability to quickly adapt to changing conditions on the road. Through my excellent communication and problem-solving skills, I consistently provided outstanding customer service and fostered strong relationships with clients and colleagues alike.
