to detail

SRI RAM BAKERS

2017 - 2022

Food Packer

SRI RAM BAKERS (Erode India)

(Present work 2025)

A Food Packer takes responsibility for preparing and packing food and drink products for distributing and sales. While the type of product being packed may vary, the duties are almost common and are included on the Food Packer Resume as – taking responsibility for assembling food products containers and packaging; placing the food products into containers; packaging the food for minimizing breakage and movement during shipping; inspecting containers; ensuring the integrity and cleanliness of the containers; sealing and labeling containers with product weight and information; stacking and arranging containers; and allowing shippers in loading them quickly into the trucks
