Objective

I am self-motivated, ambitious and eager to learn. I am a responsible individual with strong communication skills and work ethic as well as being creative, focused and highly determined. I am willing to take responsibility and work independently. At the same time, I can work well within a successful management team

I am looking for personal and professional growth that makes me able to work confidently under pressure. Being bilingual gives me the opportunity to work efficiently in both English and Arabic. My background and experience growing up have given me deep insight into culture and society as well as broader scope in the business world.
