ABOUT ME

My name is Saoud Ahmed, and I graduated in 2023. I have been gaining knowledge in the field of eCommerce for the past 4 years. Over the last year, I have gained practical experience working with platforms like eBay UK. Additionally, I have been learning about Amazon for the past two months, specifically focusing on Amazon FBA, including both wholesale and private label models. I am ready to professionally apply my knowledge and skills to contribute to a dynamic eCommerce team.

WORK EXPERIENCE

The Ecommerce Squad

2024 - 2024

- Completed a 1-month internship where I gained experience in handling brand data and managing email communications for the Amazon FBA wholesale business model. Developed key skills in identifying potential brands and effectively responding to inquiries.

Clarity Digital Solutions

2024 - 2024

- Completed a 2-month internship where I managed the entire process for the Amazon FBA wholesale business model, from emailing brands and authentic distributors to product finalization. Responsibilities included scanning product sheets, shortlisting options, and finalizing selections to meet business requirements.

Ebay UK

2023 - 2024

- I managed a successful eBay UK dropshipping business for over a year. I took care of finding products, creating listings, setting prices, and handling customer service. I identified profitable markets, increased sales through marketing, and kept strong relationships with suppliers.
