

DAVID SHAW

PROFESSIONAL SUMMARY

I am a resourceful, hardworking and highly experienced Logistics Manager with 40 years of hands-on expertise in the management of Logistics and Supply Chain activities. I specialize in Physical Logistics. I have previously demonstrated excellent technical ability, with a comprehensive knowledge of supply computer systems, warehousing, import/export, distribution and accounting systems. I am able to communicate effectively with clients, colleagues and suppliers alike, building and maintaining productive working relationships, demonstrating this in challenging environments.

EXPERIENCE

CAF Rail UK, Glasgow, Jul 2018 - Current

Logistics Coordinator/Customer Support

- Address order flow issues, shipping delays and quality control issues.
- Managing repairable assets to reduce dwell times at depot.
- Booking Technician's hours on the CAF GMAO ERP system.
