

FARHANATH N L

REGISTERED PHARMACIST

Result-driven Registered Pharmacist with over 8 years of experience in hospital and clinical settings, specializing in medication dispensing, patient counseling, and inventory management. Skilled in ensuring compliance with healthcare regulations and optimizing patient outcomes through effective medication management. Seeking an opportunity to leverage my expertise in a dynamic healthcare environment to drive excellence in patient care and safety.

WORK EXPERIENCE

Pharmacist

KIMS Hospital | Trivandrum

From August 2021 to December 2023

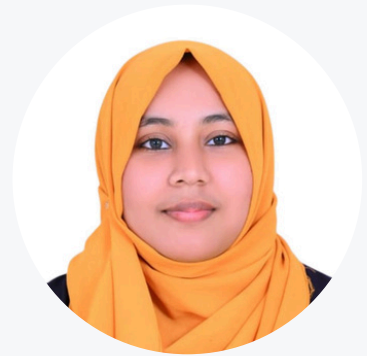

- Accurately filled and dispensed prescriptions, ensuring compliance with medical prescriptions and hospital protocols.
- Provided comprehensive counseling to patients on proper medication use, dosage, and potential side effects, improving adherence and treatment outcomes.
- Managed the inventory of pharmaceuticals, ensured the availability of essential medications, and minimized waste through efficient stock control.
- Worked closely with doctors, nurses, and other healthcare professionals to ensure the safe and effective administration of medications.
- Monitored patients for adverse drug reactions, reported findings to the appropriate authorities, and made recommendations to adjust treatment plans.
- Ensured compliance with hospital policies, state, and federal regulations, including maintaining accurate records of controlled substances.
- Implemented safety measures to prevent medication errors, including double-checking prescriptions and using electronic health records (EHR) systems.
- Conducted medication reviews, identified potential drug interactions, and optimized therapeutic outcomes for patients with complex medical needs.
- Assisted in the development of clinical guidelines for medication use, contributing to hospital-wide initiatives to improve patient care.
- Trained pharmacy interns and new staff on hospital procedures, medication safety, and patient care best practices.
- Provided critical support during emergency situations, ensuring the rapid preparation and delivery of essential medications.

Pharmacist

We Care Hospital | Kollam Edamon - 34, Kerala

From July 2016 to August 2021

- Dispensed medications accurately and efficiently, ensuring compliance with doctors' prescriptions and hospital guidelines.
- Provided patient consultations, educating them on proper medication usage, potential side effects, and interactions to enhance treatment adherence.
- Managed pharmaceutical inventory, monitored stock levels, and coordinated with suppliers to maintain an adequate supply of medications.
