Key Experience

I have been associated with HB firm Saudi Arabia since January 2022. During last 4 years, my key responsibilities include:

- Leading engagements, reporting on financials and providing meaningful insights into accounting and reporting matters;
- Engagement planning based on understanding of entity's process flows and analysis of design and effectiveness of various internal controls implemented by the entity, updating engagement leaders on the audit progress;
- Co-ordination with professionals in various fields like actuarial, taxation experts;
- Assisting clients in preparation of financial statements in accordance with International Financial Reporting Standards (IFRS), Corporate laws and other directives of regulatory authorities;
- Identifying performance improvement opportunities on assigned engagements and imparting knowledge with the client management through the preparation of a management letter;
- Establishing a positive working environment by building solid relationships with team members, clients, and other stakeholders;
- Risk management of the engagements involved and developing and maintaining strong relationships with clients;
- Developing junior team members and coaching them to deliver results, and ensuring overall timely completion and submission of the key deliverables.
