OBJECTIVE

Highly motivated college graduate seeking a professional or entry-level position where my education and experience will be fully utilized with the ability to grow with the company.

After my college I started my professional career as Assistant accountant with Ahmad Pharma Distribution. Although it's a different field from my studies, still I did the job for the sake of market experience and job exposure. Now I'm starting to enjoy my new field and finding good opportunities beyond borders to get international exposure.

I want to continue my career with an organization that will utilize my MANAGEMENT, SUPERVISION & ADMINISTRATIVE skills to benefit mutual growth and success.
