PROFESSIONAL SUMMARY

A results-focused professional with over 17 years of experience within the UAE, excellent customer service experience, and an excellent sales manager with the ability to increase sales of consumer banking products. Skilled in analyzing customer needs and recommending appropriate financial services, and highly knowledgeable in all aspects of banking operations including account opening and car financing. I am also well versed in dealing with banking services, and I work to grow and increase sales through strategic business development and providing high-quality financial services. A vigilant and long-experienced employee at the Abu Dhabi Police General Headquarters, with extensive security services. I have excellent skills and the ability to pay attention to the smallest details. The ability to monitor through surveillance cameras. My extensive experience in the field of guarding attests to my ability to prevent crime, as I used to work as an armed policeman, and I can work as a bodyguard, security guard, or security officer, and I am committed to performing my duties at the highest levels.
