

MUZNEE MUJAHID

LOGISTICS EXECUTIVE

PROFILE INFO

I've managed numerous logistical operations, warehouse controls, and purchasing systems for the past six years. I work in the supply chain. I am currently in charge of Jupiter Metal Trading's logistics system in the United Arab Emirates, a major worldwide trading hub. My professional objective is to pursue a PhD in supply chain management and become a leader as a supply chain specialist in a world that practices recycling in the future.
