

NIAZY KHALED MOHAMED

OBJECTIVE

I am a punctual and reliable person who works under pressure. I am able to work in a team environment and on my own initiative. I have a friendly disposition and sense of humour. I have been in a position of trust, handling money for others. My aim is to work for a reputable employer in a management role.

Eager to find a challenge in the field of management and business development to expand my skills and secure new ones, and never approach any new experience that does not feed any of my acquired skills

Professional summary

I worked in the field of sales and management for many activities, then I moved to the world of hotel management for the last eight years, and most recently an asset manager. My thinking is future. Expert in asset valuations and software, with experience in asset valuation and dedication to long-term financial success. Known for providing effective advice and accurate financial forecasting.
