WORK EXPERIENCE

Sales Officer and Stock Controller MS Textile and Garments, Dubai

2024 - Present

As a Sales Officer and Stock Controller at MS Textile and Garments in Dubai, I have successfully managed sales operations and stock control to optimize product availability and support business growth. My role involves overseeing inventory management, ensuring efficient stock levels, and collaborating with the sales team to meet client demands and achieve targets. I am responsible for monitoring stock movements, analyzing sales data, and implementing strategies to reduce wastage and minimize stockouts. This position has sharpened my skills in maintaining product quality, building strong client relationships, and enhancing operational efficiency. Through strategic stock management, I've contributed to improving order fulfillment rates and driving customer satisfaction.

Security Officer Star Security Services LLC, United Arab Emirates

2014 - 2021

Al Ruways Industrial City, Abu Dhabi Emirate

Services Offered: Security companies may provide a range of services, including manned guarding, electronic surveillance, risk assessment, event security, executive protection, and more. Licenses and Certifications: Ensure that the company holds the necessary licenses and certifications required by local and national authorities. Reputation: Look for reviews, testimonials, or references from previous clients to gauge the company's reputation and reliability. Experience: Consider the company's experience in the security industry. A well-established company may have a track record of successful operations. Compliance: Verify that the company adheres to legal and ethical standards in the security industry. Technology and Innovation: A reputable security service may utilize advanced technology and stay updated on industry innovations to provide effective and efficient services.
