SUMMARY:

I have over ten years of experience in sales coordination, buying, and managing operations. I have a strong record of success and a motivated, confident work style. I am good at multitasking and staying organized. I communicate well with suppliers and vendors, thanks to my hands-on experience. I can create and carry out plans that improve productivity and efficiency. I pay close attention to managing supplies and using resources wisely to keep operations running well. I have led teams effectively to help them reach their best performance. I am also skilled in solving technical problems, writing reports, and planning strategies. I want to use these skills to help your team succeed and achieve our goals together efficiently.

SKILLS:

- Purchasing / Procurement (SAP)
- Vendor Management
- Inventory control management
- Logistic control
- Import / Export
- Technical Co-coordinator
- Technical Report Writing
- Technical Drawing Mapping
- Communication
- SABER system (Saudi Custom document regulation)

WORK HISTORY:

**SCHNELL TECHNOLOGY SOLUTIONS,
PROCUREMENT ENGINEER, April 2022 till now,
Virudhnagar, Madurai, Tamil Nadu.**

- Led strategic procurement initiatives to achieve cost savings and quality assurance in acquiring equipment and spare parts.
- Improved inventory control by systematically evaluating procurement requests, driving operational excellence.
