PROFESSIONAL SUMMARY

Organised Stocker with knack for keeping shelves tidy and stocked. Ensured smooth running of daily inventory tasks, reducing restocking time and improving customer satisfaction. Known for strong organisational skills and teamwork, contributing to efficient and pleasant shopping experience.

WORK HISTORY

October 2023 - October 2024

AGGREKO - STOCKER , DUBAI , UNITED ARAB EMIRATES

- Reported on inventory shortages, audit findings and forecasting needs to inform upper management.
- Oversaw purchase order processing from requisition to receipt, reducing risk of delays and errors with meticulous follow-up.
- Researched inventory turnover, stockout rates and carrying costs, driving revenue through targeted improvements.
- Facilitated periodic inventory audits and physical counts to proactively address discrepancies.
- Supervised warehouse operations, enforcing proper inventory management procedures.
- Investigated missing items, discrepancies and losses.
- Arranged products to visual merchandising plans.

June 2021 - June 2023

RAMCO INTERNATIONAL (U) - STOCKER , NAMANVE , UGANDA

- Updated shelf prices and labels in line with store procedures.
- Replaced stock on empty and low-quantity shelves.
- Removed items with exceeded expiry dates for disposal.
- Stacked items neatly to create presentable shop displays.
- Minimised reporting errors when working in fast-paced environment with high volume of inventory.
- Used barcode scanners to document inventory transactions, maintaining accuracy and efficiency throughout stock room.
- Reported delivery damages to senior staff for quick resolution.
- Investigated missing items, discrepancies and losses.
