- **Kerala University** 2020-2023
Bsc Computer Science
7.9

Skills

- PythonJava
- C
- Html
- Css
- Javascript
- Dbms
- Php
- Communication skills
- Analytical skill

Projects

- **E-Voting For Campus Election**
This EVoting System is about campus elections. This was made to change the ballot vote system. Time taken to count is totally removed. This web application is easy and convenient to understand. This project is developed using HTML, CSS, Bootstrap and JavaScript as front end designing tool, python as server side tool and MySQL as backend.
- **Faculty Feedback System**
This is the web based feedback collecting system from the students and provides automatic generation of feedback which is given by students. It provides feedback in an easy and quick manner to the college principal. The technology used in the project is ASP.Net using C#

Interests

- Films
- Music
- Cricket
- Football
