EXPERIENCE

2024 - Now
Inventory management, warehouse
Noon minutes
United Arab Emirates, Dubai

During my time at Noon minutes in the United Arab Emirates, I had the opportunity to work as an Inventory Management, Warehouse employee. In this role, I was responsible for managing and organizing inventory to ensure timely and accurate delivery of products to customers. I also oversaw the overall maintenance and cleanliness of the warehouse, ensuring a safe and efficient working environment for all employees.

- Inventory management and organization
- Timely and accurate product delivery
- Maintaining a clean and safe warehouse
- Coordinating with team members for smooth operations
