Ramees Arafath

IT Engineer

As a graduate of Information Technology, I am eager to apply my skills and knowledge to a position in IT administration. My coursework have provided me with a solid foundation in areas such as network administration and system analysis. As an IT administrator, I am committed to maintaining the security, stability, and performance of an organization's IT infrastructure while ensuring compliance with industry regulations. I am excited to contribute my enthusiasm and expertise to a dynamic organization where I can continue to grow and develop as a professional.
