SUMMARY

As a passionate Management & Business Administration student, my fervor for learning, growth, and ethical success defines my journey. Driven by clear goals, I bring extensive knowledge, quick thinking, and a proactive "can-do" attitude to the table. Not just a responsible individual, but one with a vibrant and cheerful demeanor. With a proven track record in business growth, my aim is to dynamically leverage my expertise for continued development. I excel in customer satisfaction, Visual Merchandising and loss prevention, fully dedicated to fostering a workplace experience that is not only friendly but also exudes enthusiasm.
