## Profile

Dedicated and safety-conscious professional with over 9 years of experience in light vehicle driving, ground support equipment operation, and logistics. Proficient in operating and maintaining motorized and technical equipment, baggage and cargo handling, and ensuring compliance with safety and operational standards. Seeking a dynamic role in airport operations or logistics where my skills in transportation, equipment handling, and safety compliance can contribute to efficient and reliable service delivery.

## Work Experience

2023 – present  
UAE

### Light Vehicle Driver | Business Travel, Dubai

- Operated and maintained standard motorized and technical equipment to support customer and operational requirements.
- Complied with safety, quality, and environmental management policies to maintain a safe work environment.
- Conducted inspections of assigned ground support equipment (GSE) to ensure serviceability and suitability for operations.
- Supported airside operations by sorting, loading, and unloading baggage and cargo to/from ULD, carts, trucks, and aircraft.
- Ensured vehicles and equipment near aircraft and congested areas were marshalled safely and efficiently.

2021 – 2023  
India

### Equipment Operator | Malakath Spices Trading

- Operated diverse technical equipment, including dollies and trollies, for staging, supply, and rotation in support of logistics operations.
- Assisted in equipment servicing and reported defects to supervisors for timely repairs and maintenance.
- Handled loading and unloading of goods to support supply chain and warehouse operations.

2019 – 2021  
UAE

### Light Vehicle Driver | Arabian Travels

- Transported passengers and cargo safely and reliably, adhering to all traffic regulations.
- Provided marshalling and handling support for operational equipment to ensure smooth transportation and turnaround.
- Maintained accurate logs of vehicle inspections, service records, and daily operations.

2013 – 2019  
UAE

### Light Vehicle Driver & Baggage Handler | Lilies Cake and Coffee Shop

- Delivered goods and managed inventory transport with precision and timeliness.
- Assisted in loading, offloading, and delivering goods while maintaining compliance with safety and handling standards.
- Ensured all vehicles were regularly inspected and serviced for operational readiness.
- Maintained accurate records of deliveries, including recipient details and proof of delivery, to ensure accountability and transparency.

## Work Experience

2011 – 2013  
UAE

### Light Vehicle Driver | Jubilee Food Stuff

- Transported goods between warehouses and customer locations efficiently and reliably.
- Assisted in loading and unloading operations to ensure timely deliveries.
- Conducted routine vehicle maintenance and inspections to ensure optimal performance.

2007 – 2010  
UAE

### Store Keeper | Jubilee Food Stuff

- Managed inventory levels, monitored stock movements, and ensured accurate documentation for tracking purposes.
- Coordinated with suppliers and ensured timely delivery of goods to maintain efficient operations.
- Organized and maintained a clean and safe work environment in compliance with company policies.
