Profile

Seeking a challenging position with a progressive organization that will effectively utilize my knowledge and expertise, where I can grow along with organization and prove to be an asset for its effective functioning.

Professional Experience

Team leader, Reliance Retail ✉

08/2021 – 09/2022 | Kerala, India

Performed both Team leader and CSA roles for Reliance trends, which is one of the largest fashion retail chains in India with a daily inflow of around 2500 customers and a sales volume of approximately 2 million per day.

- Handled workforce planning by allocating qualified staff members based on the business requirement and the available staff's strengths.
- Spearheaded staff training and orientation sessions to better prepare them for their roles and help them adapt to any changes in team roles or structure.
- Guided the staff with procedures such as applying for provident fund withdrawal, applying for long leaves, work scheduling, applying for allowances, and end of the service process.
- Directed the team members in performance management and talent management by giving necessary training and motivation to bring out the best in them.
