ABOUT ME

As store manager driven by an adrenaline -fueled passion for sales growth, I am constantly seeking innovative and efficient methods to enhance performance . My focus is on implementing strategic solution that significantly boost sales, ensuring consistently improve results

WORK EXPERIENCE

Social welfare supermarket (khimji ramdas oman) 2018 - PRESENT
Store manager

- achieved and exceeded monthly sales targets through effective merchandising, customer services and the promotional strategies.
- Monitored and adjusted inventory levels based on sales trends to minimize stock shortages and overstock , ensuring optimal product availability and reducing write off.
- managed product ordering based on sales data and inventory level to ensure timely stock replenishment, reduce excess inventory, and meet customer demand efficiently
- Expert in goods receiving and purchase return through the system
- Successfully led a group of retail shops in the absence of the regional operational manager, ensuring seamless operations and consistent performance across all locations

Ahlain oman oil quick shop(KR) 2015 - 2018
store manager

- Managed daily operations of two retail locations, ensuring consistent service quality, inventory control, and staff coordination across both sites. Oversee market research to identify emerging trends, customer needs, and competitor strategies. In this mean time I got best store manager award two times
- Cashiering , expiry management n maintain FIFO
