Technical Skills

- Programming Languages: C, C++
- Design Tools: ANSYS, SolidWorks, CADD, AutoCAD
- Web Design: HTML

Professional Experience

- Business Development Officer at SSLF City and Housing 2022 -2024

In this role, I spearhead sales and marketing initiatives, driving the growth of the company. I develop and implement strategic plans to enhance business development, contributing to increased revenue and market expansion.

- **Logistics and Warehouse Specialist at Acn Logistics, Chennai 2020 – 2022**
At Acn Logistics, I managed comprehensive logistics and warehouse operations. I was responsible for optimizing inventory management processes, which significantly improved efficiency and reduced costs.

- **Technician at Tareeq Almadan Construction Company, Dubai 2018 - 2019**
In my tenure at Tareeq Almadan Construction Company, I handled various technical tasks and maintenance work. I collaborated closely with team members to ensure the efficient completion of projects, maintaining high standards of quality and safety.

- **Domestic Voice Process Executive at Hinduja Global Solutions 2017 - 2018**
At Hinduja Global Solutions, I managed customer inquiries and support calls. I maintained exceptional standards of customer service, addressing concerns promptly and ensuring a positive customer experience.

- **UPS Technician at Confidential, Saudi Arabia 2016 - 2017**
In this position, I was responsible for maintaining and repairing UPS systems, ensuring their reliability and performance. My technical expertise contributed to the seamless operation of these critical systems.
