#### Store Keeper

Al Accad Department Stores L.L.C, Dubai, UAE  
(Organic Food and Café)

- Responsible for checking the quality and quantity of goods received from suppliers to ensure they meet the specified standards and match the purchase orders.
- Maintain accurate records of stock levels, organize storage areas, and restock merchandise as needed. Ensure that products are properly labeled, barcoded, and stored in appropriate conditions to minimize damage or spoilage.
- Process customer orders in a timely manner, ensuring that all required items are available and properly packaged for delivery or collection. They coordinate with other departments, such as purchasing or sales, to ensure seamless order fulfillment.
- Oversee the movement of goods within the store, including receiving, storing, and transferring items between various departments or locations. They monitor safety procedures and ensure compliance with relevant regulations, such as proper handling of perishable products or hazardous materials.
- Perform routine stock counts to reconcile physical stock levels with system records. They also conduct periodic inventory audits to identify discrepancies, identify slow-moving or expired items, and suggest strategies for optimizing stock management.
- Follow strict health and safety protocols to prevent accidents, such as properly storing and handling hazardous substances, maintaining proper sanitation practices, and using protective equipment when necessary.
