

# SAYDA ABBAS ALHAJ

## PROFESSIONAL ACCOUNTANT

📍 UAE

☎ +971 542256441

✉ sayda.abbas@yahoo.com

I gather, track, and correct financial data for businesses in order to assist them in making important financial decisions. I am in charge of conducting financial audits, comparing bank statements, and guaranteeing the accuracy of financial records all year long. Organized accountant with 20+ years of experience providing accurate corporate accounting services, including analyzing reports, creating profit and loss statements and using data visualization skills. I help companies create realistic budgets and analyze spending to ensure cost savings.
