WORK EXPERIENCE

Logistic Coordinator

M.S Road Lines

06/2023 - 02/2024,

Achievements/Tasks

- Managed 250 workers for railway-to-warehouse shipping, overseeing procurement and logistics management, optimizing supply chain efficiency, and ensuring compliance with regulations for exceptional customer service.
- Coordinate seamless shipment movement from origin to destination by meticulous planning, scheduling, and monitoring of transportation activities to meet deadlines and customer expectations.
- Identify inefficiencies and implement strategies to streamline processes, negotiate contracts with carriers, optimize routes, and minimize transportation costs while maximizing efficiency.
- Keep accurate inventory records, conduct regular audits, and coordinate with warehouse teams to ensure inventory accuracy and timely replenishment, preventing stockouts or overstock situations.
- Act promptly to address shipping delays, handle damaged goods, or manage unexpected changes in logistics plans, ensuring smooth transportation and warehousing processes.

Operation Manager

Suraj Builders

2018 - 2022,

Achievements/Tasks

- Collaborated with project team to align project plan with job requirements, fostering shared understanding and efficient workflow.
- Conducted thorough reviews of project documentation, ensuring familiarity with all details and compliance with requirements.
- Developed and implemented safety plans in coordination with safety departments, guaranteeing project safety standards were met.
- Supervised project completion, ensuring adherence to requirements and timely delivery within project timeframe.
- Demonstrated ability to streamline project processes, ensure compliance, and facilitate effective communication between project teams and management for successful project outcomes.

Operation Manager

SRL Mohd Anis Khan

2012 - 2016,

Achievements/Tasks

- Efficiently manage daily transportation and fleet operations, ensuring optimal asset utilization and adherence to budgetary constraints while overseeing local and cross-border logistics.
- Lead development and implementation of asset management systems, equipment maintenance programs, and SOPs to meet revenue targets and operational objectives.
- Supervise contracts, rates, compliance reporting, forecasts, personnel, and product launches to ensure seamless transportation operations.
- Spearhead client acquisition and retention efforts, driving growth in transportation and distribution services.
- Strategically oversee all aspects of transportation operations to maximize efficiency, profitability, and business success.
