Work Experience Chronicle:

Business Advisory Analyst (AT&T Inc.) | Accenture Solutions Pvt. Ltd | Chennai - India | 2021 March to till date.

Responsibilities:

- Analyzed market trends and provided recommendations for new business opportunities.
- Conducting synergy in regular interval and networking session with upstream and downstream.
- Acted as client's primary point of contact, assisting their concern, ensuring quality, and proposing profitable processes.
- Triplet transfer between the bulk accounts and account structure and circuits validation.
- Monitor payments posting and co-ordinate with AMDOCS and IBM, fetching details from CDR. Oversee LEC alarms, facilities, and usage.

Reports & Metrics:

- Oversee OE (Operational Excellence) concepts such as Lean concepts, Core beat adherence, 3x3 Scorecards, HLPM, DLPM, Process Map (Visio)
- FMEA (Failure Mode Effective Analysis)
- Skills Matrix and other OE tools
- Worked as PMO SPOC in engaging mobilization and management. (Accenture and client)

Quality Assurance Analyst (AT&T Inc.) | Accenture Solutions Pvt. Ltd | Chennai - India | 2019 to 2021 February

Responsibilities:

- 2+ years of experience in conducting quality assurance testing for customer contract and invoice. Conduct Pre-bill & post-bill validation.
- Handling customer contracts across multiple sectors like retail, wholesale, government, federal and critical.
- Analyze and approve Mechanized debit and credit for billing disputes. Values range between 10k to 6 million. (approximately)
- Utilize processes to identify defects and failures and suggesting possible solutions.

- Assess contractor performance to identify the need for amendments of existing contracts.
- Prepare and edit contracts between the company and potential clients and handle breach of contracts.
- Liaison between client and third-party vendors and coordinate with clients to ensure contract compliancy.

Network Operations Analyst (TDC) (SME for Broadband, Fiber, Mobile scopes) | Accenture Solutions Pvt. Ltd | Chennai - India | 2015 Feb to 2019

Responsibilities:

- Knowledge transfer for a team of 14
- Propose ideas for process automation, which resulted in an 18% cost reduction.
- Overall Process Management leading a team of 14 & Client support.
- Perform Quality Audit
- Formulate Process DTP and conduct process training sessions for new FTEs.
- Perform Quality Check Assessment of the team and prepare monthly stack ranking score cards.

Reports & Metrics

- Prepare Business Transformation Operation (BT) reports.
- Prepare periodic Operational Reports
- Leading weekly calibration calls with clients

Achievements:

- Formulated ideas for Cost Saving (\$1.2million approx.) and successfully implemented, which benefited our European client, Tele Denmark Communication.
- Initiated Cross-training / internal knowledge transfer within the project. This paved the way for FTEs to learn and expand their boundaries. FTE reduction by 7%
- Scrutinized potential under billing disputes to avoid revenue loss to the client. The value differs from case to case i.e. ranging from \$10k to 6million approx.
- I actively participated and contributed towards CSR initiatives by Accenture through Planting Saplings, Blood donation and teaching under privileged children.

Accolades:

‘Rockstar Award’ for Best Performance – September 2018

‘Core Value Champion Award’ for exemplary contribution - November 2022

‘Encore Awards’ for significant contributions in the areas of client delight, operational rigor, engagement championship and people advocacy – July 2023

‘Client Value creation’ for Overall Performance, training and equipping new joiners in cross sub-functions and handling OE reports efficiently – March 2024
