## WORK EXPERIENCE

### Khetias Supermarket LTD

#### Supermarket Assistant

May 2021 – Aug 2023

Unpacked incoming deliveries promptly, readying stock for shop floor replenishment or safe stockroom storage, Helped with inventory audits and cycle counts to reduce errors, Assisted with processing cash and card payments at a busy supermarket checkout, calculating and providing correct change when necessary, Assisted customers by answering queries, showing them to stock location and managing complaints, Conducted regular stock counts in warehouses and on store shelves to assess stock required within next supermarket order, Checked price and labelling before unloading stock onto shelves to ensure correct product placement, Reviewed shelves, product placing, labels and pricing before unloading products on shop shelves, ensuring correct product placement, Kept shelves looking tidy by removing empty packaging, cardboard and plastic from shelves.

### Transmattresses Ltd

#### Supermarket Shelf Stacker

Worked closely with shop floor management teams to find optimal locations for new stock, reordering displays accordingly, Maintained excellent awareness of secondary spend possibilities to effectively maximise customer purchasing potential, Ensured shelves looked clean, presentable and organised after stacking by conducting shelf dressing and visual merchandising tasks.
