## WORK EXPERIENCE

**BERKELEY SECURITY LLC**  
Dubai  
Dec 2022 - Present

### Security Guard

- Monitor and control access to high-security premises in collaboration with DAEP for aviation-related projects.
- Conduct regular patrols of assigned areas, including restricted zones and sensitive infrastructure, ensuring compliance with safety and security regulations.
- Utilize CCTV systems and surveillance equipment to observe and report suspicious activities to the central security office.
- Assist in managing emergency situations, including fire drills, evacuations, and medical emergencies in accordance with DCA protocols.
- Collaborate with law enforcement and emergency response teams during incidents requiring external intervention.
- Perform routine checks on vehicles, personnel, and visitors to ensure compliance with DAEP access protocols.
- Provide daily and incident-based reporting to supervisors and DAEP management, detailing security issues and preventative measures.
- Maintain a high level of vigilance and readiness to respond to potential threats while ensuring a calm and reassuring presence for staff and visitors.
