WORK EXPERIENCE

Sudatel Telecom Group— Customer Service Representative

Feb 2022–Mar 2023

- Demonstrated exemplary telephone communication skills by employing effective questioning techniques and attentive listening, resulting in a noteworthy 20% enhancement in customer satisfaction levels and successful customer retention.
- Employed advanced listening abilities to pacify customer frustrations, leading to the selection of three of my phone interactions by management as valuable training aids.
- Proficiently operated the company's call center software and Customer Relationship Management (CRM) system, ensuring swift access to customer data, tracking interactions, and providing accurate and timely assistance.
- Adhered strictly to customer call protocols, consistently meeting service level agreements, handling times, and productivity standards, thereby upholding the company's reputation with adept communication.
- Actively participated in continuous training and development initiatives to remain abreast of product knowledge, industry trends, and customer service best practices, thereby bolstering overall performance.

EDUCATION

Bachelor degree

National Ribat University

2018-2023
