Ushman Batcha

Bachelor of Engineering in Civil

WORK EXPERIENCE

Lecturer in Civil

2023 Jun - Dec

Periyar Centenary Polytechnic College I Thanjavur

Develop and deliver lectures on civil engineering topics such as structural Engineering, Surveying, Theory of Structures and Hydraulics Engineering. Create course materials including syllabi, assignments, and exams. Mentor students in research projects and guide them in applying engineering principles to real-world problems. Participate in curriculum development and assessment activities.

Computer Operator

2021 - 2022

TNCUWB I Trichy, Tamilnadu

Experienced and detail-oriented Computer Operator with a strong background in computer systems management and data processing. Seeking to leverage my skills and knowledge in providing efficient and reliable computer operations support to the Tamil Nadu Construction Workers Welfare Board. Entered and verified data into computer systems with accuracy and efficiency. Assisted in maintaining databases and generating reports as needed. Skilled in handling administrative tasks, managing customer inquiries, and ensuring smooth operations.

Revit Architecture - Learning Course

2020 Sep - Dec

Cadd Centre I Thiruverumbur, Trichy

Dedicated and goal-driven architectural professional aspiring to excel in the field of building design and construction. Seeking to enhance my skills in building information modeling and architectural design through ongoing learning in Revit Architecture. Committed to delivering innovative and sustainable design solutions that positively impact communities and the built environment.

AutoCAD - Learning Course

2020 Jun - Aug

Cadd Centre I Thiruverumbur, Trichy

Proficient in AutoCAD for 2D drafting and modeling. Familiar with architectural design principles and construction documentation. Strong communication and teamwork abilities. Passionate and detail-oriented architectural professional with a strong desire to excel in the field of building design and construction. Seeking to enhance my proficiency in AutoCAD to streamline design processes, improve accuracy in drafting and modeling, and contribute to the creation of innovative and sustainable architectural solutions.

Internship

2020 Jan - Mar

Sthree Engineers I Trichy, Tamilnadu

Strong understanding of construction principles, materials, and techniques. Excellent communication and teamwork abilities. Attention to detail and problem-solving skills. Familiarity with project management concepts and tools. Motivated and aspiring Civil Engineering student on an internship as a Site Engineer.
