SUMMARY

Highly motivated and result-oriented professional with over 6 years of experience in operations and supply chain management. Experienced in supervising daily operations, handling budgetary matters, and ensuring efficient and economical workflows. Proven track record of achieving operational targets, such as improving daily delivery performance, inventory accuracy, reducing damages, and optimizing operating expenses. I have completed MBA in Operations Management and a B.Tech in Mechanical Engineering.

SKILLS & ACCOMPLISHMENTS

- Successfully set up and managed operations in a new facility, educated team members on SOP and processes.
- Managed daily activities consisting of receiving, storing and shipping of food, FMCG and fresh products.
- Proficient in cost management and cost control.
- Familiarity with inventory management and control.
- Utilized RCA, Continuous Improvement principles to enhance and achieve company's KPIs.

PROFESSIONAL EXPERIENCE

HIVELOOP LOGISTICS PRIVATE LIMITED (UDAAN)

FACILITY MANAGER:

March 2022 - March 2023 | Calicut/Ernakulam, India

- Oversaw and managed day-to-day operations of the facility, ensuring cost-effective and productive operations.
- Managed the budget for the facility, including forecasting and tracking expenses.
- Set up and oversaw the whole City operations in the new facility.
- Successfully managed vendor relationships with delivery partners and manpower suppliers, fostering effective collaboration, and ensuring seamless operations.
- Guided and trained sub-ordinates and other team members in maintaining processes as per SOP.
- Successfully managed a cross-functional team of warehouse, logistics, and customer service personnel, fostering effective communication and collaboration to meet customer demands and exceed service level expectations.

WAREHOUSE MANAGER:

Oct 2020 - Feb 2022 | Trivandrum, India

- Monitored inventory levels and ensured tracking and reporting were accurate.
- Achieved a 95% on-time delivery rate by optimizing routing and scheduling processes, reducing transportation costs, and improving customer satisfaction.
- By effectively optimizing manpower and vehicle usage, the operational expenditures were efficiently decreased to 4% from 7%.

- Successfully managed warehouse relocation, ensuring a seamless transition with minimal disruption to operations and no impact on customer orders.

LIT TECHNOLOGIES PVT LTD
