BIOMEDICAL ENGINEER

CAREER OBJECTIVES

To learn, achieve and to serve has been my motto in life. Thus, I look forward to utilize my skills and ability in challenging and creative environment and thereby effectively contribute towards the goals of the organisation

EXPERIENCE

BIOMEDICAL FIELD SERVICE ENGINEER

BEATS MEDICAL EQUIPMENT TRADING LLC, FEB 2023- NOV 2023

Worked as a Biomedical field Service Engineer at BEATS MEDICAL EQUIPMENT TRADING LLC UAE for 11 months. During the working period I am well trained in diagnosing and resolving technical issues mainly in sterilisation machines, dental chairs and most of all clinic minor to major equipments. The company is solely having dealership for brands named WOSON in dental and sterilising equipments, JOHARI for physiotherapy equipments and INSTRAMED for defibrillators. I was also assigned on the duty for all UAE clinic equipment planned maintenance, calibration and electrical safety test (well familiar with rigel tester). Being in the international market as a service engineer has cultivated the adaptation to staffs in different culture's, have improved my communication skill and gained the ability to handle core difficult situations at the point of service. Working without any time bound as any medical field supporter will do has gained me the provision to be much more flexible in my work.

BIOMEDICAL FIELD SERVICE ENGINEER

STADD MEDICAL CORPORATION , JAN 2022 – JAN 2023

Worked as a field Service Engineer in a company named STADD MED CORP those who dealing with CARESTREAM machine, like X-ray DR System, CR Systems, Dental X-ray machines, RVG, & MRI, CT, XRAY Printers. Provided service, installing and maintaining CR systems, DR systems and film printers in the X-ray, CT and MRI departments of different types of clinics and hospitals

BIOMEDICAL ENGINEER

KOYILI HOSPITAL , MAR 2021 - DEC 2021

Worked as Biomedical Engineer at Koyili Hospital, Kannur for 1 year As a Biomedical Engineer I was vested with the responsibility of proper maintenance of all major and minor biomedical equipments. Routine checkout of ICU, Operation theatres and radiology divisions are being carried out by myself along with the biomedical team of the hospital. Along with which oxygen plant maintenance and checkout are also performed on a regular basis.
