PROFILE INFO

I'm a Bio-Medical Engineer from Dr. Ziauddin University, currently based in Abu Dhabi, I am highly ambitious, seeking continuous learning, growth, and success through fair and ethical practices. My ability to think independently and take responsibility, combined with a "can do" attitude, empowers me to thrive in any situation. Providing exceptional service in challenging environments comes naturally to me, and I am eager to contribute my skills and expertise to make a positive impact. Additionally, I hold a UAE International Driving License..
