WORK EXPERIENCE

Frontend Developer(Internship)

2022 - 2023

Arpatech PVT LTD

- Made more than 20 PSDs designs with big companies complete a lot of complicated work
- HTML/CSS/BOOTSTRAP & JAVASCRIPT

Wordpress Developer

2021 - 2022

Arai Software

- During my time at Arai Softwares, I worked as a WordPress developer for 1 Year And 2 months. In this role, I was responsible for designing, developing, and maintaining WordPress websites for clients across various industries.
- I worked closely with the design team to ensure that the websites we developed met the clients' design requirements and were visually appealing. Additionally, I conducted regular website audits to ensure that they were functioning optimally and addressed any issues that arose promptly.
