## Summary

With over 14 years of experience in warehouse operations, I am a passionate and driven Warehouse Manager With many Company, a leading apparel company. I have expertise in warehouse management systems, Microsoft Dynamic 365, and Axapta, which I use to optimize the efficiency, accuracy, and safety of the warehouse processes. I am motivated by the mission of Carina Wear to provide high-quality and affordable clothing to customers around the world, and I strive to contribute to this vision by ensuring smooth and timely delivery of orders. I value teamwork, innovation, and customer satisfaction, and I bring diverse perspectives and experiences to the warehouse team, having worked in different sectors .

In my current role as Warehouse Manager, I oversee the entire warehouse operations, from ordering, receiving, inspecting, packing, labeling, to shipping and maintaining inventory. I also supervise and train the warehouse staff, and coordinate with other departments and external partners. I have successfully implemented and maintained the warehouse management system, Microsoft Dynamic 365, and Axapta, which have improved the visibility, traceability, and productivity of the warehouse operations. I have also ensured compliance with the company's policies and standards, as well as the relevant legislation and regulations.
