PROFILE

Motivated and detail-oriented entry-level professional with a strong passion for logistics and supply chain management. Eager to embark on a career in logistics and contribute my energy, enthusiasm, and willingness to learn to a dynamic organization. Possess foundational knowledge of logistics principles and a willingness to adapt and grow in the field. I am a quick learner, an effective communicator, and a team player with a strong work ethic. Ready to acquire new skills and take on challenges to support the efficient flow of goods and materials within the supply chain while ensuring compliance with industry standards. Excited to be part of a team that values mentorship and professional development for entry-level talent.
