Experience

- Al Rehman Accedemy** Feb/ 2023 - March/ 2024
Teacher
I have one year of experience teaching Accounting at Alrehman Academy, where I specialized in delivering engaging lessons on financial principles, bookkeeping, and preparing financial statement. During this time, I developed strong skills in simplifying complex concepts for students and fostering a positive and interactive learning environment.
- Bilal Arsalan and Co, Chartered Accountant** May/ 2024 - July/ 2024
Trainee Accountant
I completed a 3-month internship as an accountant, where my primary focus was on bookkeeping. During this time, I developed strong attention to detail while managing financial records, ensuring accuracy in data entry, and maintaining organized accounts. This experience gave me a solid foundation in the fundamentals of accounting and an understanding of financial documentation processes.
