

Sanj ay Gurung
Head Waiter

Atlantis The Royal
Dubai, UAE
Dear Manager,

I have three years of experience holding this position in a well-established hotels and restaurant. I enjoyed my job and work for a great company but now I am ready to move into a more demanding position with a larger hotel or restaurant chain, where I can put the skills I have acquired to better use. Following are my routine work responsibilities for your review.

- Make sure that the customers demands are fulfilled.
- Hire eligible personnel and train them

Monitoring waiting staff, resolving customer complaints and evaluating customer experience are the three competencies that make me stand out from the rest of the competition.

Thank you for reading through my skills and current work responsibilities. I am enclosing my resume to expand detailed information about my prior work experiences and educational background.

Best regards,
Sanj ay Gurung
