

Zohaib Hassan

Seasoned Driver Offering Reliable Transportation Solutions in Dubai.

📍 Al Quoz industrial area 4, Dubai, UAE

📅 January 15, 2002

✉️ zohaibhaasan02@gmail.com 📞 (+971) 52-4745657

Experienced and safety-conscious driver with over 3 years of proven expertise navigating Dubai's diverse roadways. Demonstrated ability to efficiently transport passengers and cargo while prioritizing passenger safety and adhering to traffic regulations. Skilled in providing exceptional customer service and maintaining a clean and well-maintained vehicle. Possessing a valid UAE driver's license and a track record of reliability, punctuality, and professionalism. Seeking to leverage my extensive experience and commitment to safety in contributing to a reputable organization in Dubai.

WORK EXPERIENCE

Packaging Solutions (July 01, 2019 - November 15, 2021)
Driver

Cumulatively two years of professional driving experience with Packaging Solutions, providing reliable transportation services to clients across Pakistan. Demonstrated proficiency in navigating diverse routes, ensuring timely arrivals, and adhering to all traffic regulations and safety protocols.

Dulsco LLC (November 01, 2023 - Present)
Driver

Dynamic driver with a comprehensive background in transportation services, having transitioned from the role of Driver Helper to Driver six months ago at Dulsco LLC. Now, as a Driver, proficient in independently managing transportation routes, ensuring prompt and secure delivery of goods and passengers, and adhering to all safety protocols and regulations. Recognized for reliability, adaptability, and commitment to delivering exceptional service. Eager to continue contributing expertise and dedication in providing top-notch transportation solutions

Dulsco LLC (November 22, 2021 - October 31, 2023)
Driver Helper

Experienced Driver Helper with two years of dedicated service at Dulsco LLC, providing essential support for transportation operations across Dubai. Skilled in assisting drivers with navigation, loading, unloading, and securing cargo, ensuring efficient delivery processes.
